CITY MUNICIPAL OFFICE,

Bangalore City, Dated 18th March 1926.

13 12 26

From

B. T KESAVAIENGAR, Esq., B. A.,
MUNICIPAL COMMISSIONER, CITY MUNICIPALITY,
BANGALORE CITY

To

C. Ranganatha Rao Saheb, Esq, B.A, B.L.,
Secretary to Government of His Highness
the Maharaja of Mysore,
Development Departments,
Bangalore.

Sir,

I have the honour to submit herewith for the approval of Government a draft notification revising the boundary limits of the Bangalore City Municipality and to request that it may be kindly caused to be published in the Mysore Gazette, under section 8 of the Mysore Municipal Regulation VII of 1906.

2. The boundaries of the Bangalore City Municipality were last revised under Government Notification No L. 4128/M1 143-21-2 dated 25th January 1922. Since then two cases were often passed for the consideration of the City Municipal Council One is the exclusion of Jodi Basavangudi palya, Kempapura Agrahara, Bangalore Taluk, from and the other is the inclusion of the premises of the "Minerva Mills" within the limits of the City Municipal boundary The former was considered and approved by the Council at the meeting held on 1st March 1924 and the latter was considered by the Managing Committee on 28th January 1926 and approved by the Council on 27th March 1926. Copies of the resolutions of the Council in the one case and of the Managing Committee and the Council in the other case, explaining the need for the changes are submitted for favour of perusal and order.

From T Govinda Row, Esq.,
MUNICIPAL COMMISSIONER, CITY MUNICIPALITY
BANGALORE CITY

To

N. Madhava Rao, Esq., B A ,B.L.,
Chief Secretary to the Government of His
Highness the Maharaja of Mysore,
Bangalore

Sir,

With reference to your letter No. L 4448/Ml. 125-26-dated 11th January 1927 returning the draft notification revising the boundaries of the Bangalore City Municipality for being published in the Mysore Gazette and observing the formalities etc , I have the honour to state that the notification, with a memorandum explaining the difference between the present boundary line and the proposed one was published in the Mysore Gazette, Part II A dated 10th February 1927. It was also notified that objections, if any, should be submitted within 2 months from that date Though two months have elapsed, no objections have been received in this office, even from the villagers of Kempapur Agrahar which is proposed to be excluded from the City Municipal limits.

2. A copy of the notification is herewith submitted for favour of approval and orders of Government.

3. A sketch showing the original boundary as well as the proposed one is under preparation and will be submitted very early.

I have the honour to be,

MYSORE DISTRICT

Notification No L 8189—Ml. 125-26-6, dated 25th May 1927

Whereas by a proclamation dated the 7th February 1927 published in the *Mysore Gazette* on the 10th February 1927 and posted up in conspicuous places in the local areas concerned, it was duly announced under Section 3 of the Mysore Municipal Regulation VII of 1906 as amended from time to time, that it was proposed to alter the limits of the Bangalore City Municipality as described in the said proclamation and whereas no objections have been preferred against the said proposal the Government of His Highness the Maharaja of Mysore, in exercise of the powers vested in them by Section 4 (1) of the said Regulation, are pleased to alter the limits of Bangalore City Municipality and to declare that the boundary of the said Municipality shall be considered to be as described hereunder —

The boundary line of the City of Bangalore, commences at the boundary stone No. VII 1 of the Civil and Military Station of Bangalore and runs along the western boundary of the Civil and Military Station, touching the Station boundary stones Nos. VII-2, VII-3, VII-4, VII-5, VII-6, VII, VIII. IX, X, XI, XII, XIII, XIV, XIV 1 XIV 2, XIV-3, XIV-4, XIV-5, XIV-6, XIV 7 XIV-8, XV, XVI, XVII, XVIII, XIX, XX and XXI, referred to in Mysore Government Notifications Nos. 11372—Ml. 160-12-12, dated 12th May 1914, G 9915—G M. 160-12-16 dated the 20th January 1917 and L. 4128—Ml. 143-21-2, dated the 25th January 1922.

2. The line then runs eastward, and follows the southern boundary line of Akkithammanahalli village of the Civil and Military Station, till it meets the Station boundary stone No. XXII at the north end of the bund of the breached Sunnakal tank. Thence it turns south-westward and runs along the toe of the bund, till it reaches the C. B. Stone No. 1/1 at the south-west corner of Survey No. 23 of Hadagodi village, whence it runs southward and follows the northern boundary of Survey No. 17 of Lakkasandra village and the northern boundaries of Survey Nos. 3 and 2 of Arekampanahalli village till it reaches the north-west corner of the said Survey No. 2, whence it turns northward and passes along the eastern and northern boundaries of Survey No. 33 of the said village, and meets the C. B. Stone No. 1/2 at the north-west corner of the said survey No. 33. Then it turns southward and passes along the western boundaries of the said survey Nos. 33 and 29 of the said village, crosses the Hosur Road and meets C. B. Stone, 1/3, (Public Works Department) on it. Then it passes along the western boundaries of Survey Nos. 26, 22 and 21 of the said Arekampanahalli village, and meets the C. B. Stone No. 1 at the south-west corner of the said Survey No. 21 Thence it turns south-westward and passes along the north western boundary of a portion of Survey No. 4 and of Survey Nos. 1 and 47 of Siddapur village, and meets the C. B. Stone No. 2 at the north-west corner of the said Survey No. 47, whence it runs southward along the western boundaries of Survey No. 46 and part of Survey No. 45 until it reaches the survey boundary marks at the south-west corner of Survey No. 45 of the said village. Thence it turns westward and skirts round Kanakanapalya hamlet attached to Lal-Bagh Upparahalli until it meets the survey boundary marks at the north-west corner of Survey No. 32 of Siddapur whence it turns southward and passes along the western boundaries of Survey Nos. 32 and 31 of the said village until it meets the C. B. Stone No. 3 at the south-west corner of Survey No. 31. Thence it turns southward and then westward and runs along the northern boundaries of Survey Nos. 103 and 102 of Byrasandra until it meets the C. B. Stone No. 4 at the north-west corner of the said No. 102. Then it turns southward and runs along the western boundary of the said No. 102 and meets the C. B. Stone No 5 at the north-west corner of Survey No. 101 of the said village whence it turns westward following the northern boundaries of Survey Nos. 7, 8 and 9 of Dasarahalli village until it reaches the C. B. Stone No. 5/1 at the north-west corner of the said No. 9 at the junction of Kankanhalli road. Then it turns southward following the western boundaries of Survey Nos. 9 and 10 of Dasarahalli and meets the C. B. Stone No. 6 at the south-west corner of the said No. 10. Thence it runs westward and runs along the northern side of the foot-path leading to Dasarahalli Gav Tan until it meets the survey boundary marks at the south-east corner of Survey No. 1 of Yediyur Nagasandra village whence it turns northward and along the eastern and northern boundary of Survey No. 1 of Yediyur Nagasandra village until it reaches the survey boundary marks at the north-west corner of the said Survey No. 1 Then it runs southward along part of the western boundary of the said Survey No. 1 until it reaches the survey boundary marks at the north-east corner of the Gav Tan of Yediyur Nagasandra village whence it runs westward and runs along the northern boundary of the said Gav Tan until it reaches the survey boundary marks at the north-west corner thereof Then it continues westward passing along the northern boundaries of Survey Nos. 43 and 42 of the said village till it reaches the C. B. Stone No. 7 at the north-west corner of the said Survey No. 42 whence it runs northward following part of the eastern boundary of Survey No. 39 and eastern boundary of Survey No. 40 of the said village, and thence it passes along the north-eastern boundary of Survey No. 12 and

eastern boundaries of Survey Nos 11 10 and 8 of Sunkenahalli village till it reaches the C B Stone No 8 at the north east corner of Survey No 8 Then it follows the northern boundary of Survey No 8 and part of the eastern boundary and northern boundary of Survey No 32 meeting C B Stone No 9 at the junction of Gavipur village boundary Thence it runs along the eastern and northern boundaries of Survey No 48 and part of the eastern boundary of Survey No 52 of Gavipur till it meets the C B Stone No 10 at the north east corner of the said No 52 Then it follows the northern boundaries of Survey Nos 52 and 51 eastern northern and western boundaries of Survey No 1 and part of the northern boundary of Survey No 9 till it reaches the C B Stone No 11 at the south east corner of Survey No 8 of Gavipur Then it follows the eastern and north western boundaries of the said No 8 part of the northern boundary of Survey No 7 and part of the eastern and northern boundaries of Survey No 13 till it reaches the B Stone No 12 at the angle on the north side of the said No 14 at the junction of Survey No 14 Thence it passes northward following part of the eastern boundary of Survey No 14 and the eastern boundary of Survey No 15 of the said village Then it continues northward crosses the channel and passes along parts of the southern and eastern boundaries of Survey No 10 and of southern and eastern boundaries of Survey No 11 and the eastern boundary of Survey No 23 of Karithimmanahalli village till it reaches the C B Stone No 13 at the north east corner of the said No 23 Then it follows the northern boundary of the same Survey No 23 and reaches the C B Stone No 14 at the north west corner thereof whence it runs southward following the northern boundary of Gav Tan of Karithimmanahalli village until it reaches the survey boundary marks at the north east corner of Survey No 7 whence it runs northward following parts of the eastern boundaries of Survey No 7 and 5 till it reaches the C B Stone No 14 1 at the north east corner of the said No 5 whence it turns westward and passes along the northern boundaries of Survey Nos 5 and 4 and meets C B Stone No 14/2 at the northwest corner of the said No 4 Then it turns northward and runs along part of the eastern boundary of Survey No 32 of Byatarayanapur village and meets C B Stone No 14/3 at the junction of the Mysore Road Then it runs eastward along the southern side of Mysore Road till it meets C B Stone No 14/4 (Public Works Department) at the south west corner of the New Municipal Ooked in the north east corner of the Roman Catholic Cemetry Then it crosses the Mysore Road and runs along the northern side of the road till it reaches C B Stone No 15 at the south west corner of Survey No 68 of Kempapur Agrahar village Thence it takes the northerly direction following the eastern boundary of Survey No 68 until it reaches the north east corner of the said survey number Thence it turns westward following the northern boundaries of Survey Nos 68 and 69 until it reaches the survey boundary marks at the west corner of the said Survey No 69 whence it turns northward along parts of the eastern and northern boundaries of Survey No 70 until it reaches the survey boundary mark at the south east corner of Survey No 64 of the said village Thence it turns northward and passes along the eastern boundary of the said No 64 and part of the eastern boundary of Survey No 68 until it reaches the water course Then it runs east along the southern side of the said water course until it reaches C B Stone No 15/1 at the south east corner of survey No 59 of Kempapur Agrahar Then it runs northward along the eastern boundaries of the said Survey Nos 59 58 and 56 till it meets C B Stone No 16 at the north east corner of Survey No 56 Then it runs south eastward along the southern boundaries of Survey Nos 48 and 46 till it meets the C B Stone No 16 1 at the south east corner of Survey No 46 Thence it runs northward following the eastern boundaries of Survey Nos 46 and 44 till it meets the C B Stone No 17 at the north east corner of Survey No 44 Thence it continues northward following the eastern boundary of Agrahar Hosahalli village Gav Tan crossing the Railway line again passes along the eastern boundary of Agrahar Hosahalli village Gav Tan and meets C B Stone No 18 near the survey boundary marks at the south east corner of the said village Gav Tan Then it turn eastward and runs along the southern boundary of Survey No 6 of Kempapur Agrahar and meets C B Stone No 19 near the Pahani tope at the south east corner of this Survey No 6 whence it turns northward and meets the survey boundary marks at the south west corner of Survey No 5 Thence it runs along the southern and eastern boundaries of this Survey No 5 and eastern boundaries of Survey Nos 4 and 3 until it reaches the survey boundary marks at the north east corner of Survey No 3 Whence it turns north eastward and runs along the eastern and northern boundaries of Survey No 2 until it reaches the survey boundary marks at the south east corner of Survey No 1 whence it turns northward and run along the eastern boundaries of Survey No 1 and 26 until it reaches the C B Stone No 19/1 at the north east corner of the said Survey No 26 Thence it turns westward and runs along the southern boundary of Magadi Road until it reaches the C B Stone No 19/2 at the north west corner of Survey No 278 near the culvert Then it crosses the Magadi Road and runs along the eastern side of the channel following the western boundaries of Survey Nos 277 276 275 274 273 272 271 and 269 till it meets the C B Stone No 19/3 at the north east corner of Survey No 269 Then it crosses the channel and takes an easterly direction and follows the southern boundaries of Survey Nos 259 and 260 till it meets the C B Stone No 19/4 at the south east corner of Survey No 260 Then it turns northward passing along the

boundary of this Survey No 260 and meets C B Stone No 20 at the north east corner of it Then it turns eastward and following the southern boundary of Survey No 69 Kathamaranahalli village meets the C B Stone No. 20/1 at the south east corner of this No 69 whence it crosses the channel and passes along the south eastern boundary of Survey No 68 until it reaches the survey boundary marks at the north east corner of the said Survey No 68 of Katchmaranahalli village Then it runs along part of the eastern boundary of Survey No 67 and the south eastern boundary of Survey No 66 until it meets C B stone No 20/2 at the junction of the cart track Thence it follows the western side of the cart track until it reaches the C B stone No 21 at the north east corner of Survey No 56 Then it turns westward and skirts along the northern boundary of Survey No 56 and eastern and northern boundary of Survey No 54 and meets C B Stone No 22 at the north west corner of Survey No 54 Then it follows the eastern and northern boundaries of Survey No 76 till it meets the C B Stone No 23 at the north west corner of the said Survey No 76 Then it runs westward along the northern boundary of the waste weir channel of Jooganahalli tank Survey No 80 until it reaches C B Stone No 24 at the south east corner of the said tank Survey No 80 Then it runs northward following the eastern boundary of the said tank Survey No 80 until it meets the C B Stone No 25 at the south west corner of Survey No 38 near the Survey boundary marks at the junction of the tank bed Then it turns eastward following the southern boundary of Survey No 38 till it meets the C B Stone No 26 at the south west corner of Survey No 39 near the survey boundary marks. Thence it turns eastward and follows the southern and eastern boundaries of Survey No 39 until it meets the south west corner of Survey No 40 whence it turns eastward and passes along the southern boundary of Survey No 40 and meets the C B Stone No 27 at the junction of the Railway boundary line near the survey boundary marks at the south east corner of Survey No 40 Then it turns northward and passes long the eastern boundaries of Survey Nos 40 37 36 28 29 and 31 till it meets the C B Stone No 28 at the north east corner of Survey No 31 of Kathamaranahalli village From this point it crosses the Railway line and runs first in a northerly direction and then easterly direction following the western and northern edges of the west feeder channel of the Sankey tank crosses the Subedar Chattram Road meets the Public Works Department boundary Stone No 28/1 on the east side of the said road at the junction of the boundaries of the Water Works and Vyalikaval villages and the Indian Institute of Science Thence it turns southward and passes along the eastern side of the said road till it meets the C B Stone No. 29 at the south west corner of the boundary of the Indian Institute of Science Thence it turns eastward in a straight line along the southern boundary line of the Indian Institute of Science till it meets the Public Works Department boundary Stone No 29/1 at the junction of the Tumkur Road with the proposed deviation thereof Then it crosses this road and meets C B Stone No 30 at the junction of the Rifle Butt Road with the Tumkur Road Then it takes the south easterly direction and runs along the north east side of the Tumkur Road till it meets the C B Stone No 31 at the junction of the Old Road leading to the bed of the Sankey tank whence it runs along the north east side of the said Old Road till it meets the C B Stone No 32 near the bed of the Sankey tank Then it runs northward along the eastern boundary of the said Indian Institute of Science till it meets the C B Stone No 33 at the junction of the Rifle Butts Road near the bridge over the north feeder channel of the Sankey tank Then it runs due east along the southern side of the Rifle Butts Road till it meets the C B Stone No 33/1 at the junction of Rifle Butts boundary Thence it runs southward and meets the R 4 Stone whence it runs eastward and meets the R 3 Stone near the junction of Bellary Road Thence it runs northward and meets the Public Works Department Stone No 33/2 at the junction of the Rifle Butts Road Then it crosses this road and touches the C B Stone No 34 at the junction of the Bellary Road with the boundary line of the Raja Mahal village and then it takes south easterly direction along the Garden Avenue road till it meets the C B Stone No 35 at the junction of the east feeder channel of the Sankey tank Thence it passes northward along the said channel till it meets the C B Stone No 36 at the north west corner of the Gav Tan of Munireddipalya Then it passes along the northern boundary of the said Munireddipalya Gav Tan till it meets the C B Stone No 37 near the Survey Pahani Stone at the junction of the lane leading to the Savar Lines whence it turns northward and follows the west side of this lane till it meets the C B Stone No 31/1 at the junction of the path leading to Jeebanahally Then it crosses this lane and passes along the southern boundary of the Savar Lines till it meets the C B Stone No 38 at the junction of the boundary of Military Byadrahalli Thence it turns southward and runs along the western boundary of Military Byadrahalli till it meets the Station Boundary Stone No VII 1 at the junction of the Tumkur Road leading from the Civil and Military Station
